RECEIVED 10/25/2012

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 2 item(s):

1. Schedule A of your report discloses earmarked contributions through a conduit. Please be reminded that when a committee receives an earmarked contribution(s) through an allowable conduit, each individual contribution must be itemized when the individual's total contributions to your committee aggregate over \$200 per election cycle. This itemization must include the full name, address, occupation, and employer of the individual contributor along with the date the contribution(s) was received by the conduit. Any un-itemized contributions received through the conduit must be included in your totals on Line 11(a)(ii) of the Detailed Summary Page.

In addition, information regarding the conduit or intermediary for each contribution must be itemized on Schedule A as a memo entry. The conduit's full name and address (and occupation and employer if the conduit is an individual) must also be provided, along with the date the contribution(s) was received by your committee and the total amount of earmarked contributions received from the conduit.

Please amend your report to disclose the proper format for earmarked contributions received from a conduit or intermediary. You can refer to the FEC Campaign Guide for Congressional Candidates and Committees for further guidance on how to report earmarked contributions through a conduit (11 CFR § 110.6(c)(2))

2. Itemized disbursements must include a brief statement or description of why each disbursement was made. Please amend Schedule B supporting Line 17 of your report to clarify the following description(s): "Fundraising Events." For further guidance regarding acceptable purposes of disbursement, please refer to 11 CFR 104.3(b)(4)(i)(A).

Additional clarification regarding inadequate purposes of disbursement published in the Federal Register is available on the FEC website at www.fec.gov/law/policy/purposeofdisbursement/inadequate_purpose_list_3507.pdf. A non-exhaustive list of acceptable purposes is also available on the FEC website at <http://www.fec.gov/rad/pacs/documents/ExamplesofAdequatePurposes.pdf>.

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.

If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1166.

Sincerely,
